

Welcome Resurrection Choir!

The Resurrection Choir is an important ministry in a very different way from our other choirs. Their specific intent is to provide music for Funeral and Memorial Masses. In this way we as members of the St. Joseph community share our talents to care for and support bereaved families within our parish.

Although there are no regularly scheduled rehearsals, this group continues their ministry throughout the year. If you are new to the ministry, or interested in joining this ministry, you should know that persons of any age who are available during daytime hours can join. Members are notified of the Funeral Masses by way of a phone chain, and those that are available meet in church 15 minutes before Mass.

Your dedication all year round is most appreciated. Your love and generous giving of time and talent cannot be measured.

God Bless you!

Leszek Bartkiewicz
