

Welcome Teen Choir!

With careful crafting and with a great deal of thought and consideration, I am scheduling this group to sing 5 Masses in 2011-2012 Season. To see and hear young people sing in church is moving and inspirational for all. With your busy lives, I hope you will have it in your heart to share your talent with your St. Joseph's Parish Family who appreciates you so much.

In addition, it would be great to have you sing with us at the Christmas Concert on Sunday December 11th even if you can't make all rehearsals. For details, please check the Christmas Concert Chorale schedule and let me know if you will participate.

I look forward to seeing you on Tuesday, October 4th.

Thank you,

Leszek Bartkiewicz
